Schedule 5 Conditions

This AOC is subject to the following conditions imposed pursuant to section 28BB(1)(a) of the *Civil Aviation Act 1988*.

Condition 1

The Reference Number must be used when the Civil Aviation Regulations 1988, the Civil Aviation Safety Regulations 1998, or an instrument made under any of these regulations requires a CASA reference number to be included in a Form or other document, for the purpose of the regulations or the instrument.

Note: The Reference Number is the certificate holder's original or "legacy" reference number to be used and cited as it has previously been used or cited.

Condition 2

CONDITIONS RELATING TO FLYING TRAINING AT TEMPORARY LOCATIONS

Flying training operations at temporary locations shall be permitted provided the following conditions are complied with:

1. required for the temporary location and in the case of initial issue AOC, the holder must have satisfactorily completed 12 months flying training operations at the holder's main base;
2. the AOC holder must have in the operations manual, appropriate procedures for the conduct of flying training operations at temporary locations;
3. the AOC holder must maintain a register of all training performed at each temporary location;
4. unless permitted by CASA, temporary locations must not be within 100 nautical miles of an aerodrome which has an established fixed base flying school offering the same qualifications;
5. aerodromes at temporary locations must be appropriate for the level of training provided and shall not be less than those described in CAAP 92;
6. flying training operations shall be conducted for no more than 45 days at each location in a 12 month period. Flight reviews and flight test days shall not be classified as "flying training" days
7. training at temporary locations shall be restricted to RPUPPL and NGT VFR syllabus;
8. training at temporary locations must be conducted by Grade I (or Grade 2 for aeroplanes) instructors only;
