What to wear & bring

It is dusty in the Outback. Outdoor clothing (preferably not white), long pants and hat or cap are recommended. Enclosed flat heel shoes are essential. It is no colder in the balloon than on the ground but it can be cooler before sunrise. Warm clothing may be necessary from approx May to Sep. Loose items such as dangling jewellery and scarves are not permitted once passengers reach the launch site and disembark from the bus.

Don't forget to bring your voucher if you have pre-paid together with your camera to capture this amazing adventure!

General health Physical fitness is not a requirement to enjoy a ballooning adventure, but passengers must be able to climb up and into the basket (approx. 1.2 metres in height) unaided using the basket foot holes and stand for the duration of the flight. Assisting the crew to pack up is entirely voluntary and does require some lifting.
